

Unmanned Aircraft Systems-UAS

DRONES are Unmanned Aircraft Systems (UAS).

Join us at the Creve Coeur airport for an informational discussion on UAS operations, rulemaking and UAS operational safety.

Attendees will also be shown how to access the FAA's UAS policies, FAQ's and other information via the internet.

Directions: Enter the hangar through the FBO.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
